

REGIONAL AWARD 2019

This is to recognise that

Hotel Aqua Mirage

Has achieved and maintained the highest standard of health & safety in the region having excelled among all the establishments that incorporate the Cristal programme.

Steve Tate
Chairman

This establishment is committed to providing guests with a safe environment.

Further it is our belief that only by managing risk in a structured way can we be sure of maintaining and increasing our standards over the long term. Our Environmental risk management programmes are designed to benefit our guests and provide them with a safe, enjoyable experience.

This certificate remains the property of Cristal International Standards at all times and may be removed by Cristal International Standards at any time.
